DOT MEDICAL EXAMINATIONS

WorkWise is one of only a few providers in Fremont County who offers Department of Transportation medical examinations. Our medical director, Dr. John Reckling, is board certified in internal medicine, certified medical review officer for DOT drug screens and has been practicing in Fremont County for more than 20 years. Dr. Reckling is on the National Registry of Certified Medical Examiners, and his knowledge of the FMCSA medical regulations allows him to provide thorough and cost-effective DOT physicals.

WorkWise also provides Audiograms, Vision screenings, Pulmonary Function Tests, and on site Health Fair lab draws. They can also tailor services to meet your occupational health needs.

For more information regarding physicals or other services WorkWise offers, please call or e-mail Nicci Urbigit.
